

Eng. P.A. Aloka Karunaratne

Research Engineer

Materials Laboratory

Qualifications	BSc Engineering (Hons) in Materials Science and Engineering
Contacts	E-mail: alokak@iti.lk
Specialized Fields	Materials Science and Engineering
Interest Areas	Research and development of rubber products
Publications	1.Conference Abstract- “Reverse Engineering of Automotive Suspension Strut Mount”, Karunaratne P.A.A.S, Gamlath G.G.A.P , Weragoda V.S.C., OUSL Annual Academic Sessions 2014 ,SL 2. Conference Abstract –“Characterization of structural properties of Recycled Tire Dust/Latex Material Composite for Noise Absorption Applications” P A A S Karunaratne * , R C L De Silva, SLAAS technical sessions 2020.SL
Major Projects Undertaken	-
